ENVIRONMENTAL POLICY

The purpose of this document: to bring world class connectivity to rural business and residents in North Hampshire. We want to be a net positive contributor to the environment.

December 2021
Updated January 2024

Scope

This policy applies to Hampshire Broadband Ltd trading as Hampshire Community Broadband (herein referred to as HCB, The Company or we/us). We engage with customers, suppliers and contractors to encourage them to follow this policy.

Aims

Our aims are to:

- Reduce the environmental impact of our operations, supply chain and customer solutions.
- Help our customers and contractors to reduce their own environmental impact.

Guiding Principles

To ensure our environmental policy is relevant, progressive, and regularly updated, the Board of HCB promulgates and reviews the performance of our Environmental Policy annually.

Environmental Commitment

Our environmental management system provides a framework for the management and reporting of environmental performance to the Board. Our overarching commitments include:

- Continual improvement of our environmental management system, and minimizing environmental harm and preventing pollution.
- Maintaining compliance with applicable legal requirements and with other requirements to which we have subscribed.

Stakeholder Engagement and Policy

We engage with our stakeholders in relation to environmental issues with the objective of driving forward progressive and ambitious action to protect the environment and mitigate the impact of climate change.
